### Physical Disability Grievance Redressal Cell

Khyati college of pharmacy , Ahmedabad is committed to creating a healthy working & study environment. Students and faculties have the right to work with out fear of prejudice, bias and harassment regardless of gender, sexual orientation, disability, age, race or religion. The institute also believes that all the students and faculties have the right to be treated with dignity.

Considering these points, a committee comprising the following members are formed to look after & treat any cases of harassment, particularly of physical disabled students or faculties, at the work place or other than work place.
