**Chairman's
Message**

MR. KARTIK PATEL
CHAIRMAN,
KHYATI FOUNDATION &
KHYATI COLLEGE OF PHARMACY

Dear students,
Welcome to the campus,
Nurturing creativity and inspiring innovation are two of the key elements bestowing success to education, and “Anusandhan” newsletter is the perfect amalgamation of both. It harnesses the creative energies and inputs of the academic community, and distils the essence of their inspired imagination in the most brilliant way possible. I do appreciate and applaud Principal and Editorial team for their successful completion of this tedious yet daunting task of putting together the myriad thoughts and dreams of our students and faculty members into a meaningful and delightful visual fest.

**Director's
Message**

MS. BINITA PANCHAL
DIRECTOR,
KHYATI FOUNDATION &
KHYATI COLLEGE OF PHARMACY

Welcome to the campus,
The newsletter which is being rolled out today marks the launch of effervescent activities of our prestigious institution. I congratulate Principal and Editorial board members for their efforts to launch this newsletter. Khyati college of Pharmacy has grown in leaps and bounds, hurtling across barriers along the way. “Education is the spine of every nation. The better the education, the better the nation.” As an educator myself, I understand the profound effect that good teachers and a quality education is foundation of dynamic society, we strive to provide quality education to each and every student of our Institute.

The Professor Spotlight

Welcome to the KHYATI campus,

“Ignited Minds are the most powerful resources on earth, and the one billion minds of our nation are indeed a great power waiting to be tapped”

Principal's
Message

DR. PRAGNESH PATANI
PRINCIPAL
KHYATI COLLEGE OF PHARMACY

Students of Khyati College of Pharmacy are trained through well-balanced synchronization of curricular, co-curricular and extracurricular activities. The greatest discovery, “self-discovery”, can be termed as a cliché but it is as relevant today as it was in the past. “Anusandhan” is truly a forum for our students to manifest their imaginative skills, knowledge of language, literature, general awareness, art, creative writing, etc. I take this opportunity to congratulate the editorial board for bringing out this newsletter as per schedule, which in itself is an achievement considering the effort and time required. May all our students soar high in uncharted skies and bring glory to the world and their profession with the wings of education.

FACULTY BUZZ

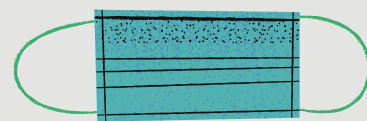

The Psychological and Social Impact of Covid-19

The recent Covid-19 pandemic has had significant psychological and social effects on the population. The social distance and the security measures have affected the relationship among people and their perception of empathy toward others. From this perspective, telepsychology and technological devices assume important roles to decrease the negative effects of the pandemic. These tools present benefits that could improve psychological treatment of patients online, such as the possibility to meet from home or from the workplace, saving money and time and maintaining the relationship between therapists and patients. In order to reduce anxiety and depression symptoms widespread among the population, the World Health Organization (2019) and the Centers for Disease Control and Prevention (2020) proposed specific guidelines on the correct use of health protection with the aim to minimize the distress associated with health-care professions. At the same time, as a consequence of the emerging issues, psychotherapists provided psychological support online, addressing the technological challenge. In line with the technological progress, professional organizations promoted specific guidelines and policies related to customer protection, privacy, screening, evaluation, and development of self-help products. Technological development in mental health foreshadows future trends that include “smart” mobile devices, cloud computing, virtual worlds, virtual reality, and electronic games in addition to the traditional psychotherapy tools. In this perspective, it is important to help future generations of psychologists and patients to collaborate in the potential growth areas, through education and training on the benefits and effectiveness of telepsychology. Online psychological services provide several advantages, especially in the current situation of pandemic. First of all, online services help people in a short period of time, reducing the risk of contagion and the strong feeling of anxiety in both psychotherapists and patients, who feel uncomfortable in doing traditional psychotherapy due to the pandemic.

बुरा वक्त है गुज़र ही जायेगा,
 बिन रात के तो सूरज भी वापस नहीं आएगा।
 चाहता तो कोई भी नहीं वक्त से समझौता करना,
 पर ये वक्त किसी की सुन के थोड़े हाई आएगा।
 शिकायतें करने से तो पीछे हम भी नहीं,
 पर गिरेबान में देखो तो हम भी कुछ कम तो नहीं।
 जब हमने नहीं सोचा पहले नुकसान कुदरत को हो जाएगा,
 तो सोच कुदरत भी नहीं रही, तो क्या ग़लत हो जाएगा।
 रीत है दुनिया की, जीवन तो चलता जाएगा,
 बस जीने की वजह देने वाला चला जाएगा।
 समय अभी भी है मौक़ा अभी है सम्भलने का,
 पर फिर भी ना सुधरे तो सब कुछ बिखर जाएगा।
 Stay Healthy Stay Safe!

MYTHS AND FACTS OF COVID 19 VACCINATION

MYTH: The ingredients in COVID-19 vaccines are dangerous.

FACT: Nearly all the ingredients in COVID-19 vaccines are also ingredients in many foods – fats, sugars, and salts

MYTH: The natural immunity I get from being sick with COVID-19 is better than the immunity I get from COVID-19 vaccination.

FACT: Getting a COVID-19 vaccination is a safer and more dependable way to build immunity to COVID-19 than getting sick with COVID-19.

MYTH: COVID-19 vaccines cause variants.

FACT: COVID-19 vaccines do not create or cause variants of the virus that causes COVID-19. Instead, COVID-19 vaccines can help prevent new variants from emerging.

MYTH: COVID-19 vaccines contain microchips.

FACT: COVID-19 vaccines do not contain microchips. Vaccines are developed to fight against disease and are not administered to track your movement.

MYTH: Receiving a COVID-19 vaccine can make you magnetic.

FACT: Receiving a COVID-19 vaccine will not make you magnetic, including at the site of vaccination which is usually your arm.

MYTH: A COVID-19 vaccine can make me sick with COVID-19.

FACT: Because none of the authorized COVID-19 vaccines in the United States contain the live virus that causes COVID-19, the vaccine cannot make you sick with COVID-19.

ડો નિષ્કૃતિ મહેતા ની કલમે..... ડાયાબિટીસ

સમાજ માં આર્થિક અને વધતી જતી યાંત્રિકતાના કારણે આપણી જીવનશૈલી માં ખુબ મોટું પરિવર્તન આવ્યું છે, જેના લીધા ડાયાબિટીસ, સ્થૂળતા, બ્લડપ્રેશર, હૃદયરોગ વગેરે જેવી બીમારીઓ ખુબ વ્યાપક બની છે. એક અંદાજા મુજબ અત્યારે ભારત માં અંદાજે 6 કરોડ લોકો ડાયાબિટીસગ્રસ્ત છે અને આ સંખ્યા 2030 સુધી માં 15 કરોડ થવાની શક્યતા છે. છેલ્લા 4-5 દાયકા થી ડાયાબિટીસ એ આરોગ્ય સામે સૌથી મોટું ખાતર સ્વરૂપ ધારણ કર્યું છે.

ડાયાબિટીસ મુખ્ય 3 પ્રકાર ના હોય છે: ટાઈપ 1 ડાયાબિટીસ, ટાઈપ 2 ડાયાબિટીસ અને જેસ્ટેસશનલ (સગર્ભાવસ્થા દરમિયાનનો) ડાયાબિટીસ. તમે લોકોને એમ કહેતા સાંભળ્યા હશે કે તેઓને "ડાયાબીટીઝનો સ્પર્શ" થયેલ છે અથવા તેઓની "શર્કરાની માત્રા સહેજ વધુ" છે. આ શબ્દો સૂચવે છે કે ડાયાબીટીઝ એક ગંભીર રોગ નથી. તે સાચું નથી. ડાયાબીટીઝ ગંભીર છે, પરંતુ તમે તેના ઉપર કાબુ રાખવાનું શીખી શકો છો. ડાયાબીટીઝ ધરાવતા લોકોને તંદુરસ્ત આહારની પસંદગી કરવાની જરૂર પડે છે, આરોગ્યને અનુકૂળ વજન રાખવાની, નિયમિતપણે વધારે હલન ચલન કરવાની અને જ્યારે સારો અહેસાસ થતો હોય ત્યારે પણ તેઓને દવા લેવાની જરૂર પડે છે. ઘણી બધી બાબતો કરવાની હોય છે. તે સરળ તો નથી, પરંતુ કરવા લાયક જરૂર છે.

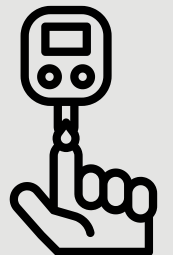

તણાવ તમારી બ્લડ શુગર વધારી શકે છે. તમારામાં તણાવને ઘટાડવા માટે, ઊંડા શ્વાસોશ્વાસ લેવાનો, ચાલવા જવાનો, ધ્યાન કરવાનો, યોગ કરો, તમારા શોખ પર કામ કરવાનો અથવા તમારું પ્રિય સંગીત ધ્યાનથી સાંભળવાનો પ્રયત્ન કરો.

ઓછી માત્રામાં કેલરી, સેચ્યુરેટેડ ફેટ, ટ્રાન્સફેટ, શર્કરા અને મીઠા ધરાવતા ખોરાકની પસંદગી કરો, વધુ રેસા ધરાવતા ખાદ્ય પદાર્થ ખાઓ, અને ઓછી ચરબીવાળા કે સ્કીમ દૂધ જેવા ખોરાકની પસંદગી કરો. જ્યુસ અને નિયમિત સોડાના બદલે પાણી પીઓ. અઠવાડિયાના મોટા ભાગના દિવસોમાં વધારે સક્રિય રહેવા માટેનું લક્ષ્ય નિર્ધારિત કરો. દરરોજ 3 વખત 10 મિનિટ ચાલવા જઈને ધીમી શરૂઆત કરો. સપ્તાહમાં બે વખત, તમારા સ્નાયુની તાકાત વધારવા કામ કરો. તમારી બ્લડ શુગરનો યોગ્ય ટૂક રાખો. તમે એક દિવસમાં એક કે વધુ વખત ચકાસણી કરી શકો છો. કોઈ કાપા, ફોડલી, લાલ ચાઠા, કે સોજા માટે તમારા પગ દરરોજ તપાસો.

ડાયાબિટીસ બીમારી આજીવન રહે છે. તેને જડમૂળ થી મટાડવા માટે કોઈ ઈલાજ નથી અને તેને નિયંત્રણ માં રાખવા માટે ના પ્રયાસો સતત હલુ રાખવા પડે છે તેથી આ સમસ્યા ને વધારે વ્યાપક બનતી અટકાવ માટે સમાજ માં વધારે માં વધારે લોકો તંદુરસ્ત જીવનશૈલી અપનાવે તે જરૂરી છે.

PRINCIPAL'S REVIEW

It is a matter of great pride for Khyati College of Pharmacy to bring out the News letter. It is indeed a welcome step and reflects on the growing interest and motivation of the faculty and students of college towards the profession. The college has made tremendous progress since the inception in all areas-academic, non-academic, capacity building programme relevant to faculties and students.

I congratulate the editorial board of this News Letter who has played a wonderful role in accomplishing the task in record time. I express my deep sense of gratitude to Dr. Pragnesh Patani, Principal, Khyati College of pharmacy under whose guidance this Newsletter released. Also, my heartfelt congratulations to staff members and students for their fruitful effort.

I wish a greater success in the forthcoming endeavors.

**With Best wishes,
Principal

VOICE OF KCP STUDENTS

I feel extremely happy to express my nice learning experience at Khyati College of Pharmacy, Palodia, Ahmedabad. I got chance to study well in classrooms, study at library with all necessary books, and experimentation at laboratories to the full satisfaction. I also got chance to participate in sports and a conference Pharma-vision. As first year started late due to unavoidable circumstances, we had been in the college for short time till now but I feel like having been associated since long as we have been provided all opportunities to grow as a pharmacist.

Apart from good library, transportation services and canteen are also nice. We are thankful to our caring Principal Sir and Faculties for making our ongoing studies an experience to remember for the lifetime.

I am Shrinidhi from Bachelor of Pharmacy 1st semester. This college is the same as I would have imagined for a college life having facilities for sports a helpful faculty and a very good group of batch mates. I really enjoy being here and studying here. The faculty here is very helpful and the lectures and the lab sessions here are very interactive and it is very fun to be here.

All the teachers teach in a very fun way and make us enjoy, they make all the subjects look way too easier. They encourage us in participating in all the activities which are enjoyable. Even the seniors here are very well natured and interact with us in a very supportive way. The sports facilities are the best and make me feel more active and awakens the inner ability to concentrate even more in studies.

The inner me is very satisfied with the college and would recommend even more students to join this college and I am very thankful to Nishkruti ma'am and Ruchi ma'am for giving me this opportunity to share the review of the college.

VOICE OF KCP STUDENTS

I am glad to provide you with my feedback about the college. My overall experience to date has been amazing, and the college is having an amazing infrastructure. Your college has provided me with a number of opportunities to grow and explore my skills. The emphasis on sports along with education always helped me a lot. I have always found a positive and healthy environment and the teachers are highly supportive.

I am highly thankful to you for providing me with an opportunity to be a part of your college. It has added a number of values to my life.

COLLEGE FEEDBACK BY PARENTS

I am very happy to state that I am fortunate as apparent of Khyati College of Pharmacy student. In fact I was not aware of the college earlier but read in newspaper on pharmacist day celebration at the college and immediately rushed to visit the college. We were impressed by the campus and decided to admit the student and within 3 months we realized it was the best decision. College has given ample opportunities to grow and learn well by good teaching of theory and practical as well as extracurricular activities. Principal and faculty members are highly educated and intensely interested in student growth. I would like to congratulate staff and administration of Khyati College on providing the best learning environment to students.

Thanks and regards

प्रिय ख्याति कॉलेज ऑफ फार्मेसी। मैं यह हर समय नहीं कहता, लेकिन आप हमारे बच्चों को जो मदद और मार्गदर्शन प्रदान करते हैं, मैं उसकी सराहना करता हूँ। मैंने देखा है कि हर्षिता में काफी सुधार हुआ है, न केवल सीखने के मामले में बल्कि अपने आत्मविश्वास में भी। मैंने जीवन भर उसका खयाल रखा लेकिन अब, वह मेरे स्वास्थ्य का खयाल रखती है। आप उन्हें एक दयालु व्यक्तित्व के साथ ऐसे प्रतिभाशाली और स्मार्ट फार्मासिस्ट बनने में मदद कर रहे हैं। आप माता-पिता के रूप में हमारे काम को इतना आसान बना रहे हैं। इस सब के लिए, मैं आपको धन्यवाद देता हूँ!

હતી તો ખરી ને યાર.

ખબર છે હવે દોસ્તી નથી,
પણ હતી તો ખરી ને યાર .

એ દરેક પળો ની યાદ આવે છે, જે સાથે જીવ્યા છે.
એ દરેક રમત ની યાદ આવે છે , જે સાથે રમ્યા છે.
માનું છુ કે ભૂલ મારી છે.પણ હવે માની જા ને યાર.

ખબર છે હવે દોસ્તી નથી,
પણ હતી તો ખરી ને યાર.

ભાઈ કરતા પણ વધારે માનતા તા એકબીજાને,
બહુ જ હેરાન કરતા તા એકબીજાને,
બસ એ વાત એક સપનું સમજીને ભૂલી જા ને યાર.

ખબર છે હવે દોસ્તી નથી,
પણ હતી તો ખરી ને યાર.

એવી કઈ દોસ્તી છે જેમાં ઝઘડો નથી થતો ,
અને ઝઘડો ના કરે એ દોસ્ત જ નથી હોતો.
પણ થોડું થોડું કરતા હવે બહુ થયું યાર.

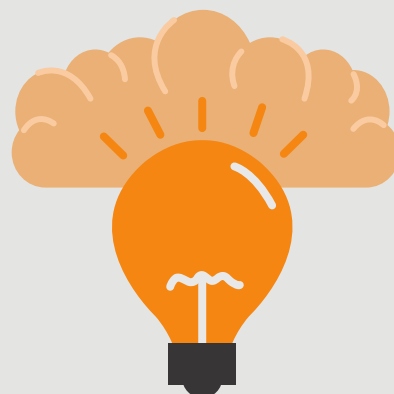

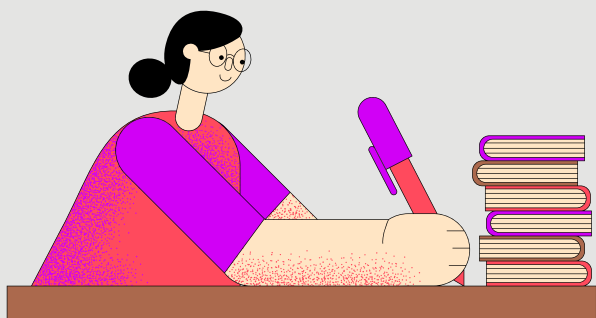

ખબર છે હવે દોસ્તી નથી
પણ હતી તો ખરી ને યાર.

અંતમાં બસ એટલુંજ કહીશ ,
કે આખી જીંદગી તારી સાથે રહીશ.
બસ એક વાર માફ કરી દેને યાર .

ખબર છે હવે દોસ્તી નથી,
પણ હતી તો ખરી ને યાર..
