MESSAGE FROM THE CHAIRMAN

I hope this message finds each of you in good health and high spirits as we embark on a new academic year filled with promise and potential. As the Chairman of Khyati Foundation, it is both an honor and a privilege to extend a warm welcome to all students, faculty, staff, alumni, and friends who make up our vibrant and diverse community.

Our college stands as a beacon of education, innovation, and excellence, and I am incredibly proud of the achievements and contributions of our community members. The past years have presented us with various challenges, but together, we have demonstrated resilience, adaptability, and an unwavering commitment to the pursuit of knowledge.

Our faculty, a dynamic force of brilliance, has consistently pushed the boundaries of knowledge, securing research grants, publishing groundbreaking papers, and earning accolades for their contributions to academia. They are not just educators; they are mentors, guiding the next generation of leaders and thinkers.

**MR. KARTIK PATEL, CHAIRMAN,
KHYATI FOUNDATION &
KHYATI COLLEGE OF
PHARMACY**

To our students, you are the driving force behind our success. Year after year, you continue to impress with your dedication, passion, and an insatiable thirst for knowledge. Our alumni, scattered across various fields and industries, are a testament to the caliber of individuals that Khyati Foundation nurtures and propels into the world. Our state-of-the-art facilities, cutting-edge technology, and modern infrastructure are a testament to our commitment to providing an unparalleled learning environment. From laboratories that spark innovation to collaborative spaces that foster creativity, Khyati Foundation is not just a college – it's an experience. Reflecting on the past year, I am humbled by the collective achievements and resilience displayed by our faculty, staff, and students. In the face of unprecedented challenges, our community has risen above, showcasing unwavering determination and adaptability.

So, I present you with the "ANUSANDHA Vol III Issue II". This newsletter is a testament to the stories, achievements, and milestones that define us. It serves as a chronicle of our collective journey and a platform to celebrate the accomplishments of our vibrant community. I encourage everyone to actively engage with the content, share your experiences, and contribute to the ongoing narrative of our college. As we look ahead, I am excited about the ambitious plans and projects that will further elevate Khyati Foundation's standing in the academic world. We are not content with resting on our laurels; instead, we strive for continuous improvement and excellence in all facets of college life.

In conclusion, I invite each of you to join me in celebrating the remarkable legacy and bright future of Khyati Foundation. As members of this extraordinary community, let us revel in our achievements, embrace our potential, and collectively shape the narrative of success that defines us.

MESSAGE FROM THE DIRECTORS

Dear Readers,

It gives me immense pleasure to welcome you to this latest edition of Anusandhan. As we continue to navigate the evolving landscape of education, research, and community development, we remain steadfast in our mission to empower individuals and drive positive change. At Khyati Foundation, we believe in the power of innovation and collaboration to transform lives. This edition highlights some of the remarkable work being done by our dedicated team, students, and collaborators. From groundbreaking research to impactful community outreach programs, we are proud to share the milestones we've achieved together. Our foundation is built on the values of integrity, excellence, and inclusivity. We strive to create an environment where ideas flourish, and every individual has the opportunity to contribute meaningfully to society. The journey is ongoing, and with your continued support, we are confident that we will achieve even greater success in the future. Thank you for being a part of this inspiring journey. We look forward to your continued engagement and collaboration as we work towards building a brighter, more inclusive world.

MR. RADHESHYAM PATEL
DIRECTOR,
KHYATI FOUNDATION &
KHYATI COLLEGE OF
PHARMACY

Our campus facilities reflect our commitment to providing a world-class learning environment. From state-of-the-art laboratories and research facilities to modern classrooms and comfortable living spaces, every aspect of our campus is designed to support and enhance the student experience. The expansive library hosts a vast collection of resources, while our sports and fitness facilities promote physical well-being as an essential part of the holistic education we offer.

Our college is more than just an institution of higher learning; it's a community committed to making a difference. We are deeply invested in serving our local community and initiating positive change. Through various outreach programs and initiatives, we work hand-in-hand with local organizations to address societal challenges and contribute to the betterment of our community.

Our college is not just a place where bright minds come to learn; it's a place where leaders are shaped, where ideas come to life, and where the future is forged. As the director, I take immense pride in the role our college plays in shaping the leaders of tomorrow, and I am excited to see where our collective journey takes us next.

As the Director of such a great College I am very proud to present "ANUSANDHA Vol. III Issue II" which is our college's newsletter which shows our achievements in different fields whether in sports or in academic records.

PRINCIPAL SPOTLIGHT

Dear Friends and Supporters,

It is with great enthusiasm that I welcome you to this edition of Anusandhan. As we continue our journey of academic excellence, innovation, and community engagement, I am pleased to share with you the incredible progress and initiatives we have been undertaking at Khyati Foundation. In this edition, you will read about our latest academic advancements, student achievements, and groundbreaking research initiatives. We are committed to providing an environment where curiosity thrives, and our students are not only equipped with knowledge but also the skills to make a meaningful difference in the world. At Khyati Foundation, we understand the importance of continuous learning and collaboration. Each step we take is driven by our collective vision to empower young minds, create opportunities for growth, and contribute to the greater good of society.

**PRINCIPAL
DR. PRAGNESH PATANI
KHYATI COLLEGE OF
PHARMACY**

“Education is the key to unlocking the world`, a passport to Freedom.”

“Education is not filling of a pail, but lighting of a Fire”

As we celebrate our successes and look ahead to new challenges, let us remember the importance of collaboration and mutual respect. We are not just a collection of individuals; we are a community that thrives on shared goals and aspirations. Together, we can create an environment where every member feels valued and empowered to contribute their best.

Our college is a tapestry of diverse talents, backgrounds, and perspectives. Through the newsletter, we celebrate this diversity by featuring stories, profiles, and spotlights that highlight the unique contributions of individuals within our community. So, as the Principal of Khyati College of Pharmacy, I am honored to address you through our college newsletter “ANUSANDHAN Vol. III Issue II”. It is a pleasure to connect with each member of our diverse and dynamic community, including students, faculty, staff, alumni, and friends.

I am excited about the initiatives and events planned for this academic year. I encourage everyone to actively participate and contribute to the vibrant tapestry of Khyati Foundation.

In closing, let us embrace the opportunities for growth, learning, and collaboration that this academic year brings. I am confident that, together, we will continue to build a brighter future for Khyati Foundation.

EDITORIAL BOARD

Dear Readers,

It is with great pleasure that I welcome you to this edition of Anusandhan. As the Faculty Editor, I am thrilled to bring you the latest updates, insights, and achievements from within the Khyati Foundation community. This newsletter reflects our commitment to excellence in education, research, and social responsibility. From the inspiring work of our students to the groundbreaking projects led by our faculty, each page is a testament to the passion and dedication that drive us forward. In this issue, we've highlighted key developments, upcoming initiatives, and the incredible contributions of individuals who continue to push the boundaries of knowledge and innovation. Our goal is not just to inform, but to inspire and engage you in the journey we are all on together. Thank you for being a valued part of our community. Your continued support and involvement are what make these achievements possible. I look forward to sharing many more stories of growth, learning, and success in the future.

**DR. NISHKRUTI
MEHTA
PROFESSOR & HEAD,
DEPT. OF
PHARMACOLOGY**

Welcome to the latest edition of Anusandhan! As we step into a new semester, we are excited to bring you a fresh collection of insightful articles, stories, and updates from our vibrant campus community. Our team has worked hard to curate content that highlights the achievements, innovations, and creative expressions of students, faculty, and staff alike.

In this issue, we celebrate academic milestones, exciting research breakthroughs, and the many events that make our institution such a dynamic place to learn and grow. We hope you find inspiration in the pages ahead, and that these stories motivate you to contribute, engage, and make the most of your time here.

We would like to extend our heartfelt thanks to all the contributors and readers for their ongoing support. Let's continue to build a strong and connected community. Your thoughts, ideas, and feedback are always welcome, so feel free to reach out!

Republic Day Celebration

Date of Event: 26/01/2024

No. of Participants: 352

Name of Faculty Co-ordinator: Dr. Nishkruti Mehta

Report:

Like every year, this year also all the students and faculty members of Khyati College of Pharmacy had organized a grand program on the occasion of this Republic Day. Everyone was very happy on that day as it was a matter of great pride for all of us because on 26th January, the Constitution of India came into force and our country, India became a Republic Country.

In spirit and pride, the students and teachers of Khyati College of Pharmacy commemorated Republic Day Celebration with honorable Ms. Binita Panchal, Director, Khyati Foundation, and Dr. Pragnesh Patani, Principal, Khyati College of Pharmacy, arrived at Campus with March-Past. Everyone was very happy on that day as it was a matter of great pride for all of the students.

The program started with a prayer, followed by the flag hoisting ceremony with Vande Mataram Song led by the leaders of our prestigious institution, Khyati Foundation. An inspirational speech was delivered by Dr. Pragnesh Patani, Principal, Khyati College of Pharmacy, which instilled a sense of patriotism and the value of culture into the students.

Republic Day Speech were given by the students. Various cultural events were conducted such as Dance Performance, Drama, Art, Speech, etc. with a patriotic theme. Khyati College of Pharmacy announced the launch of Official E-News Letter "Anusandhan 2024 Vol-III, Issue I. All the participants were given participation certificates while the winners were felicitated with winning certificates.

Student Awards-Price Distribution Ceremony was held by the faculties and Respected Sir to students. Patriotism and enthusiasm were the common driving forces for the students on such a day and were enjoyed at its best. At the end, sweets were distributed to all the students as part of the celebration.

As part of the celebration, other colleges of Khyati Foundation also took part in various activities. In the end, the program was concluded by distributing sweet boxes to all.

Glimpses of Days Celebration

Date of event: 5/02/2024 - 14/02/2024

No. of Participants: 416

Faculty Co-ordinator: Ms. Krupa Vyas, Mr. Vijendra Rajan

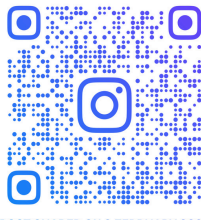

Report: Esteemed Mr. Nitesh Viramgaman, a respected clinical pharmacist and career advisor at Pharmavision, a unique consulting firm tailored for pharmacy students aspiring to pursue their studies abroad, recently delivered an enlightening presentation on the extensive realm of clinical pharmacy as part of the Gyanopedia lecture series. The interaction between the speaker and the students during the session was not only dynamic but also filled with exuberance. Mr. Nitesh Viramgaman, a seasoned professional in the field, imparted comprehensive insights and guidance for those aspiring to embark on a career as clinical pharmacists overseas. The details provided captivated the students, shedding light on a relatively unexplored yet impactful domain within the pharmaceutical field. As the students delved into this subject, they gained a profound understanding of its potential influence on the broader pharmaceutical landscape.

The “Meditation and Laughter Yoga” Known for providing the deeper understanding towards the relationship of mind to the body and soul. It benefits the health of every human in order to increase their physical and mental stamina. The traditional way of doing Meditation and Laughter Yoga on a daily basis has been provided to the students and participants. Nearly 50 students and faculty members have gained basic knowledge and performed Meditation and Laughter Yoga.

Students & Faculties had taken a pledge for continuing Meditation and Laughter Yoga for routine & daily life to stay healthy and fit. Finally the Faculty shared with students a vote of thanks and concluded at the celebration.

Our students have shown incredible creativity and dedication by preparing informative posters to raise awareness about important days like Labour Day and Wellness Day. We're so proud of their efforts to spread valuable social messages! Students Prepared different Slogans to Prevent Child Labour By this Posters. All students and staff have taken pledge to Prevent and stop Child Labour by their Nearby Areas and they self also never Support Child Labour. They are aware of nearby area people to educate their children and let them play instead of Labour.

Health and wellness are key components in one's life. As a Pharmacist our role is to support student's success by providing health care through assessment, intervention and follow up for all Students within the Campus. The staff members address the physical, mental, emotional, and social health needs of students and support their achievements in learning process. Staff so proud of Students efforts to spread valuable social messages!

FACULTY SPORTS DAY

Date of event: 26/06/2024

No. of Participants: 38

Faculty Co-ordinator: Mr. Adarsh Singh Bhadoria

Report: The “Khyati College of Pharmacy” and “Khyati Foundation”, Palodia, Ahmedabad had organized a celebration of “ Faculty Sports Day Celebration” on 26th June, 2024.

All the Faculty and Principal played various games under sports of Khyati College of Pharmacy. A sports day was celebrated at the college for sports awareness in the faculty. All the Principal And Faculty Played different indoor games. Sports day is organized for Faculties of Pharmacy of reputed colleges with a view to encourage sportsmanship among all the faculty members. Faculty members participated in the program which included mental games as well as physical games. Along with the faculty, principals of other colleges of Khyati Foundation also joined in this sports or celebration, who played various coordination games with the faculty members.

All the Staff Members had a fantastic Faculty Sports Day at Khyati College of Pharmacy and Khyati Foundation ! A day filled with energy, teamwork, and lots of fun. Kudos to everyone who participated and made it a memorable event.

WORLD SOCIAL MEDIA DAY 2024

Date of event: 27/06/2024 and 28/06/2024

No. of Participants: 148

Faculty Co-ordinator: Dr. Nishkruti Mehta

Venue: Seminar Hall, Khyati Foundation

Report: The “Khyati College of Pharmacy” and “Khyati Foundation”, Palodia, Ahmedabad had organized the celebration of “World Social Media Day Celebration 2024” on 27th July, 2024 & 28th July, 2024. On the occasion of World Social Media Day, Khyati Foundation Organized a DEBATE competition for the students on the topic "Is Social Media an Opportunity or a Threat?" The aim of organizing debate competitions was to hone the public speaking skills of the students and teach them to be articulate while expressing their thoughts and opinions. The session was the kaleidoscope of opinions, thoughts and perspective that enhanced the knowledge and understanding about the cashless economy among students. Points presented were accepted by the spectators with cheers and claps. Some of the points even made us think about the facts. There was so much talent in the room. Arguments were made and proved. The competition was so interesting with the exchange of student's perspectives by equally stating the merits and demerits of Social Media. The event was judged by the Faculties. There were 20 students from Khyati Foundation who participated in this event with great enthusiasm. They extend our heartfelt gratitude to all participants, judges, faculty members, and organizers for their invaluable contributions in making the event a memorable and enriching experience.

All the students of Khyati Foundation took part in this workshop with great enthusiasm and great energy. Total 45 Pariticipants were benefited by the said workshop. The Team of expert from Khyati School of Design, Ahmedabad provided hands on training to students, and certificated to all the participants. Participants were taught about selection of fabric for tie and dye, · raw materials required for tie and dye This workshop was conducted to introduce students to the world of tie and dye art and to give them the idea about the different types of tying and dying techniques to obtain the patterns that are trending in the market now. During this workshop the 2 experts faculty gave live demonstration on various techniques of Tie and Dye like bandhani, Ikkat, Shibori and many other patterns and methods which are used to make Hand towes, Kurtas, Dupattas, Sarees, T-shirts, Shirts, Kaftans, Skirts and other beautiful garments. A total of 50 students, including faculty members attended the workshop. Tie and dye is a colourful fabric dyeing technique. And Vision is to bring this art to the forefront, reviving and living with traditional art and textiles from all over the world, prominently Indian textiles. There is a story, a narrative every piece of art is made of, a sense of belonging to oneself. Every piece we make shall make it feel like it belongs to them. So we would like to wholeheartedly thank Vogue institute of art and design for giving us this great opportunity to teach their enthusiastic students about tie and dye methods that we follow as a brand.

GURU PURNIMA CELEBRATION 2024

Date of Event: 20/07/2024

No. of Participants: 56

Faculty Co-ordinator: Mr. Vijendra Rajan

Report: The “Khyati College of Pharmacy” and “Khyati Foundation”, Palodia, Ahmedabad had organized the celebration of “Guru Purnima Celebration 2024” on 20th July, 2024.

Guru Purnima is a tradition dedicated to all the spiritual and academic Gurus, who are evolved or enlightened humans, ready to share their wisdom, based on Karma Yoga. It is celebrated as a festival in India. This festival is traditionally observed to honour one's chosen spiritual teachers or leaders. It is observed on the Full Moon Day in the Hindu month of Ashadha as it is known in the Hindu calendar. The festival was revived by Mahatma Gandhi to pay tribute to his spiritual guru, Shrimad Rajchandra. It is also known as Vyasa Purnima, for it marks the birthday of Veda Vyasa, the sage who authored the Mahabharata and complied with the Vedas.

To honour the professor, students of the college celebrated Guru Purnima. The celebration started with lighting the auspicious lamp by Our Staff Members, Principal Dr. Pragnesh Patani, and other faculties followed by prayer and speech. It was a complete festive ambiance with the decorated seminar hall. The students recited shlokas about gurus followed by many exciting activities like slogans, poetry, songs, Traditional Dance, Music, and games for the professors. Our college students expressed gratitude by presenting flowers and gifts as a “Guru Dakshina.” There was a happy atmosphere in the seminar hall. It was wonderfully organized and managed by all our loving students.

Principal Dr. Pragnesh Patani has given a very good message to the students that they should interact with their professor about all their study-related problems, and then only you can make a good relationship with your Guru. Then, other staff members gave a motivational speech on the importance of Guru in life and shared their experiences as a professor. Lastly, they gave a vote of thanks to guests for their presence and all the students for their efforts to make Guru Purnima so special.

GYANOPEDIA LECTURE SERIES

(Seminar on "Plantibodies: From Farm to Medicine")

Date of Event: 02/08/2024
No. of Participants: 243
Faculty Co-ordinator: Dr. Nishkruti Mehta
Speaker: Dr. Ashwin Dudhrejiya

Report: Khyati College of Pharmacy hosted an enlightening guest lecture on the topic "Plantibodies: From Farm to Medicine," presented by Dr. Ashwin Dudhrejiya, Principal of B. K. Mody Pharmacy College. The event aimed to provide an in-depth understanding of plantibodies, their development, and their potential applications in medicine.

The lecture commenced with an introduction to plantibodies, which are antibodies produced in plants through a process known as plant molecular farming. Unlike traditional methods where antibodies are synthesized in animal or bacterial cells, plantibodies leverage the plant's cellular machinery to produce these complex proteins. This method offers several advantages, including cost-effectiveness, scalability, and the ability to modify proteins with post-translational modifications that are often necessary for their biological activity.

Dr. Dudhrejiya discussed the numerous advantages of using plantibodies, such as reduced production costs, lower risk of contamination with human pathogens, and the potential for high scalability. The lecture was a highly informative session that provided valuable insights into the emerging field of plant-based pharmaceuticals. The event was well-received by students and faculty alike, fostering a greater understanding of this innovative approach to drug development. The lecture has significantly contributed to the academic and professional growth of students and staff

PLAGERISM : SHAPING ETHICS IN ACADEMICS

Date of Event: 03/08/24

No. of Participants: 246

Faculty Co-ordinator: Ms. Purvi Ramanuj

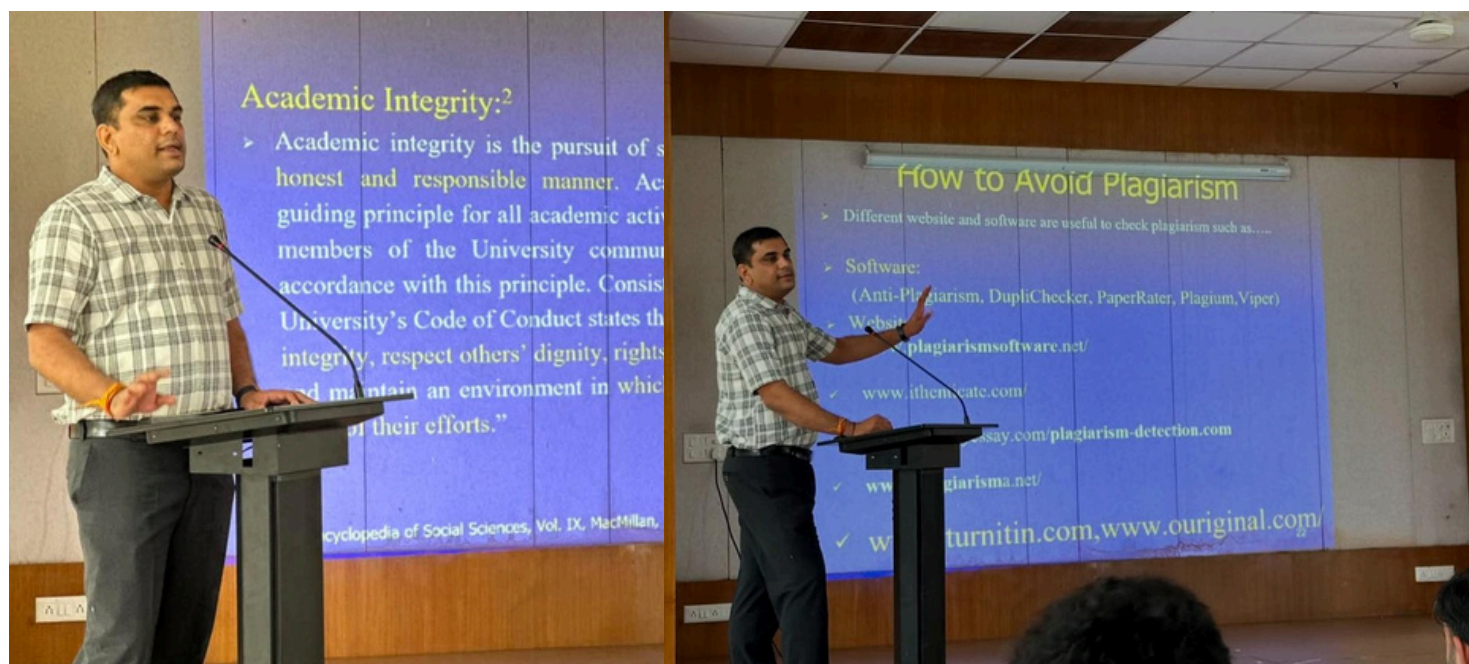

Speaker: Dr. Ujashkumar Shah

Report: Khyati College of Pharmacy organized a thought-provoking guest lecture titled "Plagiarism Shaping Ethics in Academics," delivered by Dr. Ujashkumar Shah, Head of Research and Innovation at Nootan Pharmacy College. The lecture aimed to address the critical issue of plagiarism, its impact on academic integrity, and the importance of cultivating ethical practices among students and faculty.

The lecture began with a comprehensive definition of plagiarism also highlighted various forms of plagiarism. The lecture detailed the repercussions of plagiarism, emphasizing both academic and professional consequences. These may include failing grades, suspension, or expulsion. Plagiarism undermines the educational process and can damage a student's academic record.

Dr. Shah provided practical strategies for avoiding plagiarism and encouraged the use of software tools to check for unintentional plagiarism and ensure the originality of work.

The guest lecture on "Plagiarism- Shaping Ethics in Academics" provided valuable insights into the importance of academic integrity and the steps necessary to prevent plagiarism. Dr. Shah effectively communicated the gravity of the issue and offered practical solutions for maintaining ethical standards in academic work. The session was well-received by students and faculty, sparking meaningful discussions about the role of ethics in academia.

BOTANICAL GARDEN VISIT 2024

Date of Event: 09/08/2024

No. of Participants: 50

Name of Faculty Coordinator: Mr.Adarsh Sing Bhadoria & Ms.Krupa Vyas

Report: Students from Khyati College of Pharmacy had an amazing time exploring the botanical garden! They delved into ecology and discovered the medicinal values of various plants .A perfect blend of nature and knowledge!Students of the Khyati College of Pharmacy, Ahmedabad recently had a unique opportunity to witness the serene and diverse environment of the Indroda Park Botanical Garden. The educational visit, held on August 09, was part of an initiative to enrich students' learning experiences outside the classroom. The visit was conducted under the guidance of Mr.Adarsh Sing Bhadoriya and Ms.Kripa Vyas. Indroda Park, which is famous for its lush green landscapes and extensive collection of plant species, is an ideal place for students to connect with nature and deepen their understanding of botany. The visit included interactive workshops and insights on plant ecology, conservation efforts and sustainable practices. Students were given an insight into the major sections of the park including the Medicinal Plant Garden, Butterfly Garden and Arboretum. Provided valuable insights into the park's biodiversity and the importance of each plant species. Students had experience participating in activities like plant identification, soil testing and ecological survey. These hands-on experiences aim to enhance students' hands-on skills and appreciation for botany. Students learned about efforts including water conservation techniques, waste management and habitat restoration projects. The experience left a lasting impression on the students, and fostered a deeper connection with nature and a greater appreciation for the importance of preserving our environment.

જાણીતી કોલેજની વિદ્યાર્થીનીએ બીલીના ફળના ઉપયોગ પર સંશોધન કર્યું

બીલીના ફળના અર્કમાંથી બનેલો પાવડર પાચનક્રિયા, ડિહાઈડ્રેશન માટે ઉપયોગી છે

અમદાવાદ : લોકો આજકાલ ગરમીથી બચવા માટે વિવિધ અપનાવે છે. જો કે, ગરમીના લીધે ડાયરિયા, કોન્સ્ટિપેશન, હિટ સ્ટ્રોક જેવા કેસમાં પણ વધારો થયો છે. શહેરની ખ્યાતી કોલેજ ઓફ ફાર્મસીની વિદ્યાર્થીની ફોરમ યાદવે એસોસિએટ પ્રોફેસર પૂર્વી રામાનુજ અને પ્રિન્સિપાલ ડૉ. પ્રફેશ પટ્ટણીના માર્ગદર્શનથી ગરમી સામે લડવા અને બિમારી દૂર કરવા પાવડર તૈયાર કર્યો છે. જેમાં તણે પ્રાચીન ઔષધિય વનસ્પતિ 'બીલી'ના ફળના આકર્ષકથી એવો પાવડર બનાવ્યો છે જેના સેવનથી વિવિધ બીમારીઓ સામે શરીરને રક્ષણ મળી શકે છે. બીલીના ફળથી ડાયબિટીસ, હૃદય સંબંધિત રોગો અને અલ્સર જેવી બીમારીઓ સામે રક્ષણ મળી શકે છે. સંશોધન અનુસાર પાવડર અન્ય બીમારીઓ સામે પણ ફાયદાકારક છે.

બીલીથી શરીરને થતા ફાયદા

- બીલીનું શરબત પીવાથી પેથાની ગરમી દૂર થાય છે અને કોન્સ્ટિપેશનની સમસ્યામાં છે.
- બીલીનું શરબત પીવાથી ડિહાઈડ્રેશનથી શરીરને સખત રાહત મળે છે.
- બીલીના ફળમાં રહેલા પોષક તત્વોના કારણે શરીરમાં રોગપ્રતિકારક શક્તિનું પ્રમાણ પણ વધે છે.

બીલીના ફળમાં એન્ટિબેક્ટેરિયલ ગુણધર્મો હોય છે

બીલીમાં એન્ટિબેક્ટેરિયલ ગુણધર્મ રહેલા હોય છે જે, આંતરડામાં હાનિકારક બેક્ટેરિયા થટાડવામાં મદદ કરે છે. જેથી આ પાવડર ડાયરિયા ઉપરાંત ડિહાઈડ્રેશન અને પાચન ક્રિયાને સુધારી શકે છે. બીલીના ફળમાં વિટામિન A, B, C અને રિબોફલેવિનની સાથે પ્રોટીન, ફાઈબર, કેલ્શિયમ, ફોસ્ફરસ, પોટેશિયમ, આયર્ન પણ હોય છે. - પૂર્વી રામાનુજ, એસોસિએટ પ્રોફેસર
