MESSAGE FROM THE CHAIRMAN

I hope this message finds each of you in good health and high spirits as we embark on a new academic year filled with promise and potential. As the Chairman of Khyati Foundation, it is both an honor and a privilege to extend a warm welcome to all students, faculty, staff, alumni, and friends who make up our vibrant and diverse community.

Our college stands as a beacon of education, innovation, and excellence, and I am incredibly proud of the achievements and contributions of our community members. The past years have presented us with various challenges, but together, we have demonstrated resilience, adaptability, and an unwavering commitment to the pursuit of knowledge.

Our faculty, a dynamic force of brilliance, has consistently pushed the boundaries of knowledge, securing research grants, publishing groundbreaking papers, and earning accolades for their contributions to academia. They are not just educators; they are mentors, guiding the next generation of leaders and thinkers.

**MR. KARTIK PATEL, CHAIRMAN,
KHYATI FOUNDATION &
KHYATI COLLEGE OF
PHARMACY**

To our students, you are the driving force behind our success. Year after year, you continue to impress with your dedication, passion, and an insatiable thirst for knowledge. Our alumni, scattered across various fields and industries, are a testament to the caliber of individuals that Khyati Foundation nurtures and propels into the world. Our state-of-the-art facilities, cutting-edge technology, and modern infrastructure are a testament to our commitment to providing an unparalleled learning environment. From laboratories that spark innovation to collaborative spaces that foster creativity, Khyati Foundation is not just a college – it's an experience. Reflecting on the past year, I am humbled by the collective achievements and resilience displayed by our faculty, staff, and students. In the face of unprecedented challenges, our community has risen above, showcasing unwavering determination and adaptability.

So, I present you with the “ANUSANDHA Vol IV Issue I”. This newsletter is a testament to the stories, achievements, and milestones that define us. It serves as a chronicle of our collective journey and a platform to celebrate the accomplishments of our vibrant community. I encourage everyone to actively engage with the content, share your experiences, and contribute to the ongoing narrative of our college.

As we look ahead, I am excited about the ambitious plans and projects that will further elevate Khyati Foundation's standing in the academic world. We are not content with resting on our laurels; instead, we strive for continuous improvement and excellence in all facets of college life.

In conclusion, I invite each of you to join me in celebrating the remarkable legacy and bright future of Khyati Foundation. As members of this extraordinary community, let us revel in our achievements, embrace our potential, and collectively shape the narrative of success that defines us.

MESSAGE FROM THE DIRECTORS

The faculty is the backbone of our institution, bringing a wealth of experience and expertise to the classroom. They are scholars and researchers, continually pushing the boundaries of knowledge in their fields. Yet, they are also dedicated teachers, committed to bringing out the best in every student, nurturing curiosity, fostering critical thinking, and encouraging intellectual exploration. Beyond academics, our college thrives with a rich tapestry of extracurricular activities. From sports teams that compete at high levels to clubs and societies that span a wide array of interests, our institution is a hotbed of opportunity for personal growth and development. The symbiotic relationship between our esteemed faculty and the diverse array of extracurricular activities creates a dynamic educational environment at our institution, shaping well-rounded individuals poised for success in both their academic and personal pursuits.

MR. RADHESHYAM PATEL
DIRECTOR,
KHYATI FOUNDATION &
KHYATI COLLEGE OF
PHARMACY

Our campus facilities reflect our commitment to providing a world-class learning environment. From state-of-the-art laboratories and research facilities to modern classrooms and comfortable living spaces, every aspect of our campus is designed to support and enhance the student experience. The expansive library hosts a vast collection of resources, while our sports and fitness facilities promote physical well-being as an essential part of the holistic education we offer.

Our college is more than just an institution of higher learning; it's a community committed to making a difference. We are deeply invested in serving our local community and initiating positive change. Through various outreach programs and initiatives, we work hand-in-hand with local organizations to address societal challenges and contribute to the betterment of our community.

Our college is not just a place where bright minds come to learn; it's a place where leaders are shaped, where ideas come to life, and where the future is forged. As the director, I take immense pride in the role our college plays in shaping the leaders of tomorrow, and I am excited to see where our collective journey takes us next.

As the Director of such a great College I am very proud to present "ANUSANDHA Vol. IV Issue I" which is our college's newsletter which shows our achievements in different fields whether in sports or in academic records.

PRINCIPAL SPOTLIGHT

Our college is a hub of intellectual curiosity, creativity, and collaboration, and it is heartening to witness the enthusiasm and dedication that define our community. As we navigate the challenges and opportunities that lie ahead, I want to express my gratitude for the collective effort that makes Khyati Foundation a thriving educational institution. In the face of ongoing global changes, our commitment to fostering a supportive learning environment remains unwavering. Our faculty continues to inspire and guide our students, equipping them with the knowledge and skills needed to navigate an ever-evolving world. To our students, I encourage you to embrace the learning experiences, seize opportunities, and cultivate a passion for lifelong learning. At Khyati College of Pharmacy, we believe in providing an environment that inspires creativity and learning.

**PRINCIPAL
DR. PRAGNESH PATANI
KHYATI COLLEGE OF
PHARMACY**

"Education is the compass guiding us towards enlightenment; with each page turned, we unfold the possibilities of knowledge. Let our collective pursuit of wisdom define the narrative of success for our students and our institution."

As we celebrate our successes and look ahead to new challenges, let us remember the importance of collaboration and mutual respect. We are not just a collection of individuals; we are a community that thrives on shared goals and aspirations. Together, we can create an environment where every member feels valued and empowered to contribute their best.

Our college is a tapestry of diverse talents, backgrounds, and perspectives. Through the newsletter, we celebrate this diversity by featuring stories, profiles, and spotlights that highlight the unique contributions of individuals within our community. So, as the Principal of Khyati College of Pharmacy, I am honored to address you through our college newsletter "ANUSANDHAN Vol. IV Issue I". It is a pleasure to connect with each member of our diverse and dynamic community, including students, faculty, staff, alumni, and friends.

I am excited about the initiatives and events planned for this academic year. I encourage everyone to actively participate and contribute to the vibrant tapestry of Khyati Foundation.

In closing, let us embrace the opportunities for growth, learning, and collaboration that this academic year brings. I am confident that, together, we will continue to build a brighter future for Khyati Foundation.

EDITORIAL BOARD

I am honored to present you our new edition of "ANUSANDHAN Vol. IV Issue I". Our college is also a hub for groundbreaking research. As faculty, we lead and participate in numerous research projects, often involving students who gain hands-on experience and contribute to real-world knowledge. We believe in blending theory with practice, thus providing our students with a comprehensive educational experience.

It is the way to show other students the achievements that were obtained by students of Khyati College of Pharmacy in fields like sports, education, and many more. It can set as an example to new students to make their own name in their college life. But it's not just about academic prowess; our vibrant campus life is a celebration of diversity and unity. Cultural festivals, sports events, and extracurricular activities showcase the talent and dynamism that define our community. Our clubs and organizations are not just for participation; they are platforms for leadership and personal development.

જાણીતી કોલેજની વિદ્યાર્થીનીએ બીલીના ફળના ઉપયોગ પર સંશોધન કર્યું બીલીના ફળના અર્કમાંથી બનેલો પાવડર પાયનફ્રિયા, ડિહાઈડ્રેશન માટે ઉપયોગી છે

અમદાવાદ : લોકો આજકાલ ગરમીથી બચવા માટે વિવિધ અપનાવે છે. જો કે, ગરમીના લીધે ડાયરિયા, કોન્સ્ટિપેશન, હિટ સ્ટ્રોક જેવા કેસમાં પણ વધારો થયો છે. શહેરની ખ્યાતી કોલેજ ઓફ ફાર્મસીની વિદ્યાર્થીની ફોરમ યાદવે એસોસિએટ પ્રોફેસર પૂર્વી રામાનુજ અને પ્રિન્સિપાલ ડો. પ્રશ્ન શેખરના માર્ગદર્શનથી ગરમી સામે લડવા અને બિમારી દૂર કરવા પાવડર તૈયાર કર્યો છે. જેમાં તણે પ્રાચીન ઔષધિય વનસ્પતિ 'બીલી'ના ફળના આકર્ષકથી એવો પાવડર બનાવ્યો છે જેના સેવનથી વિવિધ બીમારીઓ સામે શરીરને રક્ષણ મળી શકે છે. બીલીના ફળથી ડાયબિટીસ, હૃદય સંબંધિત રોગો અને અલ્સર જેવી બીમારીઓ સામે રક્ષણ મળી શકે છે. સંશોધન અનુસાર પાવડર અન્ય બીમારીઓ સામે પણ ફાયદાકારક છે.

બીલીથી શરીરને થતા ફાયદા

- બીલીનું શરબત પીવાથી પેશાની ગરમી દૂર થાય છે અને કોન્સ્ટિપેશનની સમસ્યા માટે છે.
- બીલીનું શરબત પીવાથી ડિહાઈડ્રેશનથી શરીરને સખત રાહત મળે છે.
- બીલીના ફળમાં રહેલા પોષક તત્વોના કારણે શરીરમાં રોગપ્રતિકારક શક્તિનું પ્રમાણ પણ વધે છે.

બીલીના ફળમાં એન્ટિબેક્ટેરિયલ ગુણધર્મો હોય છે

બીલીમાં એન્ટિબેક્ટેરિયલ ગુણધર્મ રહેલા હોય છે જે, આંતરડામાં હાનિકારક બેક્ટેરિયા થટાડવામાં મદદ કરે છે. જેથી આ પાવડર ડાયરિયા ઉપરાંત ડિહાઈડ્રેશન અને પાયન ફ્રિયાને સુધારી શકે છે. બીલીના ફળમાં વિટામિન A, B, C અને રિબોફલેવિનની સાથે પ્રોટીન, ફાઈબર, કેલ્શિયમ, ફોસ્ફરસ, પોટેશિયમ, આયર્ન પણ હોય છે. - પૂર્વી રામાનુજ, એસોસિએટ પ્રોફેસર
