

GUJARAT STATE PHARMACY COUNCIL

SPONSORED

2-DAYS REFRESHER COURSE FOR PHARMACISTS

14-15 December 2019

Organized by

Khyati College of Pharmacy

Ms. Ankita Patel coordinator of program gave a warm welcome to the distinguished guests, speakers and addressed the participants in her welcome address.

Then Mrs. Shalini Shah –co- coordinator of program has thrown light on importance of Refresher course for Pharmacists. She emphasized about the importance of quality in pharmaceutical products and objectives of GSPC.

The inaugural function was chaired by Mr. Montukumar Patel, President, Gujarat State Pharmacy Council (GSPC).

He addressed the participants and informed them about the activities of GSPC.

The refresher course was aimed to provide information to participants about current happening in pharmaceutical field.

The Refresher course was enriched by various expert lectures from the best of academia and industry for an exciting exchange of knowledge in the field of pharmaceutical sciences. There were seven Technical sessions by the experts, followed by objective test.

The first expert lecture was delivered by Dr. Mahesh Chhabariya. He provided very useful information about Tuberculosis and Patient Counseling.

Second lecture was delivered by Ms. Dipali savaliya, Executive officer of GSPC,

She makes aware the audience about GSPC and its new Achievements for pharmacist and she informed about Chronopharmacology.

Third Expert Lecturer was Dr. Sunita Goswami. She explored the role of pharmacist for the betterment of society.

The last session of the day was concluded with expert lecture from Dr. Maulik Mehta, on Food and Drug Interaction. He focused interaction while taking drug with the food.

The second day of the program started with lecture by Dr. Pragnesh Patani. He narrated Diabetes and patient care.

The second lecture was delivered by Dr. K.R.Vadaliya, Adviser of GSPC on very interesting topic “Human values and professional ethics.”

Followed by third lecture on Self Medication by Mrs. Shalini Shah, Asst. Professor - Khyati college of Pharmacy.

The participants appeared in examination at the end of course which was mandatory for certification.

Total 64 participants got advantage of this course; All are from different field of pharmaceutical industry.
